Personal and Confidential

Gentlemen:

It has been reported to us by Troop Leaders of our Troop 496, by letter enclosed, that a troop leader has been involved with sexual relations with minors.

P. Devon Osborne, now living at 5221-1 Brookway, Columbia, Maryland 21044, sent these letters to one of our Scouts after leaving the Jackson area and moving to Maryland.

The parents turned the letters over to their family attorney. He has notified Mr. Osborne that this matter has been referred to him and that no legal proceedings will be started at this time, but that Mr. Osborne is to have no further contact with any boys back here in the Jackson area, and that the Boy Scout Organization has been informed of this matter.

Mr. Osborne is white, approximately 30 years of age, 5'6" tall, slender build, 150 lbs, brown hair. He is married.

It is our understanding that he has, or plans to become, active in Scouting in the Columbia, Maryland area.

Sincerely,

*Kenneth W. Jarchow*

Speaking of curtains, they came Friday to hang the drapes. Thank goodness for the little things. I was getting a little tired of not having drapes on the patio doors. The problem was that there are three doors actually and that adds up to a total of 12 feet of window. Not any easy drapes to make.

Last night a little kid about 5 or 6 came by to see [REDACTED] while he was out on the patio. I guess he's found a friend. They played [REDACTED]'s version of the "STICK GAME". That's where [REDACTED] holds the stick in his mouth and throws his head around while the other person tries to get the stick. Unfortunately [REDACTED] has usually chewed the stick into tiny fragments by the time he's ready to ~~get~~ give it up. I find ~~to~~ it to be a bit boring after a while and just sit back and encourage him to "get that bad old stick". The little kid seems to really get a kick out of the game though. He's the one who keeps bringing more sticks.

So much for now. Check ya later,

Damon

Since [REDACTED] feels he will be able to handle the security necessary for these letters I won't bother to write them in code. I haven't had a chance to talk to you [REDACTED] but I get the idea your Mom might tend to pry. In general, if you are both very careful, there shouldn't be any problem. First, read them as quickly as possible and then tear them up and throw them in a trash can where someone won't find the pieces. Like W.C.'s ~~stamps~~ dumpster maybe. To be very honest, if someone were to catch on to us, we'd (mostly me) be in a hell of a lot of trouble. I'd rather avoid that.

Here follows a translation of ~~my~~ <sup>the</sup> letter I wrote recently and have not mailed yet:

"I feel like a man on a desert who is dying of thirst. Sometimes I miss you ~~guy~~ guys so much that I suffer. To have you both with me is all I think about. Just one single night like a cup of water and then I would be ~~at~~ all right. The problem is that I would still not be satisfied. I would wish it would last forever.

You know, I don't think I've had a decent orgasm since our last night at the Sheraton. I really got off watching [REDACTED] come while I was pumping his butt. I can still hear him moaning with delight. When I got off with you, [REDACTED] by squeezing it between your legs was something else again. [REDACTED], you should try it. [REDACTED] can really squeeze tight. Also, you should let him have a ~~go~~ go at your backside if you haven't already. He does a good job there also.

I know you guys must really be bored by my sex starved ramblings but please tolerate them. They do me a world of good. If I can't be with you at least I can remember the "good old days". Right now memories are all I have. But they are good ones.

[REDACTED] remember the time we got into a threesome with [REDACTED]? One thing about [REDACTED], was he could really suck. I mean he could pull the blood right out of your dong. Too bad he dropped out. He had an awfully small one anyway and it didn't look like it was going anywhere quick.

You know, I can remember the first times we  
messed around with each other. How can I forget?  
Best of all was the time [REDACTED] and all of us did it.  
Too bad [REDACTED] lost interest (or did he?). I think he  
really enjoyed it. Especially the time [REDACTED] was  
humping his butt. [REDACTED] was going so fast and  
so hard I thought he was going to burn another hole  
in [REDACTED]. They both looked awfully happy, especially  
[REDACTED]. Too bad. He had a nice dick. Good eating  
anyway.

Will write again. I could really dig getting a  
letter from you guys. If you want I'll send stamps  
if that will help. ~~For~~ Just think about me  
dying of ~~severe~~ loneliness at the end of a telephone  
~~to some~~ line while you two have all the fun.

Dinos
